```
          E                                C#m
When the night  has come ,    And the land is dark ,
          A                B                E     A  E /
And the moon ,   is the only light we'll see ,
     E                          C#m
No I won't be afraid ,   no I won't be afraid ,
          A          B                      E    A  E /
Just as long , as you stand , stand by me
```

```
                                   E                          C#m
So darlin', darlin', stand by me,   oh now , stand by me ,
          A        B          E //
Oh stand , stand by me
```

If the sky that we look upon , Should tumble and fall ,
And the mountains , should crumble to the sea ,
I won't cry, I won't cry, no I won't shed a tear ,
Just as long , as you stand, stand by me

So darlin', darlin', …….
